

1. K-LOVE serves to encourage and uplift my spirits by reflecting on our Lord and Savior, Jesus Christ. The music is inspiring and the DJs are truly devoted believers.

2. If K-LOVE was replaced by an LPFM broadcaster providing other programming, it would leave a void in my life and my soul would not be nourished like it is now.

3. I believe the service provided by K-LOVE is in the public interest because it offers something for every member of a family, regardless of gender or age. In listening to K-LOVE, I would not be afraid to have young children in the room because I know they would never hear anything questionable or inappropriate on K-LOVE. Leave K-LOVE alone!
